WEEKLY REPORT CORRECTIONS

Page 22, Column 1 -- The seniority of Sen. Johnston should be listed as 10, and that of Sen. Fulbright as 9. The information that Johnston is an ex-Representative is incorrect and should be deleted.

The reference to Sen. Pastore as an ex-Representative also is incorrect and should be deleted.

Page 25 -- Change the seniority rank of Sen. Fulbright (Ark.) to 9 and (p. 26) the rank of Sen. Johnston (S.C.) to 10.

Page 25 -- In center of page, the last sentence in italics should read: For key to abbreviations, see p. 26 and 27 (not 2 and 3).

Pages 28-29 -- In the ages, professions, religions chart, the following changes should be made:

Michigan						
4 Hutchinson	50	10/13/14	C,L,V	CS	29	
Pennsylvania						
5 Green	26	6/24/38	C	RC	73	

Page 31, Col. 2 -- In the 4th full paragraph, the first line should read "...rules changes in 1965..." (not 1964).

Page 67, Col. 1 -- In lines 9-11 of the 1st paragraph, the cost figures mentioned are for printing the actual bill, not for printing the bill in the Congressional Record. The texts of bills introduced in Congress are seldom printed in the Record. Usually only the bill's title and brief description is printed.

Page 68, Col. 1 -- Under Reapportionment, line 7 should read: by all Republican Senators except Clifford P. Case (N.J.) and Jacob K. Javits (N.Y.).

Page 109, Col. 1 -- In the sixth paragraph, concerning the House GOP rule that no member can hold ranking position on more than one committee: However, special exception was made for Clarence J. Brown (Ohio), who was allowed to retain his ranking position both on Government Operations and on Rules, neither of which is entirely a legislative committee. But three other Members -- William L. Springer (Ill.), Robert J. Corbett (Pa.) and William H. Ayres (Ohio) -- holding ranking positions on two committees stepped down to No. 2 spot on the following committees, respectively: District of Columbia, House Administration, and Veterans Affairs.

Page 113, Veterans' Affairs -- The name of Seymour Halpern (R N.Y.) was left off the Republican roster for the Veterans' Affairs Committee. Halpern is ranked sixth, below Teague (Calif.) but above Ellsworth (Kan.).

Page 125, Col. 2 -- In the box on expenditures for new legislation, all figures are in thousands of dollars.

Page 136, Col. 1 -- In the fifth paragraph, the second sentence should read: on Jan. 4, 79 (not 78) Democrats.... (For full change in vote breakdown, see Weekly Report p. 141).

Page 161, Col. 1 -- In second paragraph under Title II, fifth line should read \$28 million (not \$280 million).

Page 164, Col. 1 -- In the third paragraph, the last sentence should read "Committee amendment" (not Coffee amendment).

Page 191, 192 -- Corrections for CONNECTICUT -- The 1965-66 dates given for the planned state constitutional convention are incorrect, based on original plans later revised. Current dates for the convention: Nominating conventions for delegates, Republicans March 21 and Democrats April 7; delegate elections, June 15; start of convention, July 1; latest date for convention, Nov. 1; popular referendum on convention findings, Dec. 14, 1965.

Page 196 -- Corrections for NORTH CAROLINA -- Rejection of the "little federal plan" in the Jan. 14, 1964, referendum left in effect a 1963 Senate apportionment plan based substantially on population. Further reapportionment action in 1965 is not considered likely, although the House might be subject to challenge under Reynolds v. Sims standards.

Page 207, Col. 2 -- The story is continued on p. 219.

Page 230, Col. 1 -- In the second paragraph, line 2 should read: \$13 million (not billion).

Page 233, Col. 2 -- Under reaction, the statement supporting the Treasury's conclusions was issued by the Ford Foundation (not the Ford Motor Co.).

Page 273, Column 1 -- Under Auto Safety Standards, the year in line 4 should be 1967 (not 1966).

Page 307 -- The map of Cuyahoga County should be corrected to include Brooklyn township in the 20th District. It is not in the 21st District as shown.

Page 309 -- Under the district description for the 20th District (Cleveland -- Central City, Waterfront), the following addition should be noted: Rep. Michael A. Feighan (D) was not personally involved in redistricting negotiations which added Negro voters to the 20th District and removed the city of Parma to the 21st District.

Page 320, Col. 1 -- Under Silver Supply and Prices, line 13 should read: \$5 and \$10 denominations (not demonstrations).

Page 411, Col. 1 -- In line 4, referring to a discharge petition in the House, the required number of signatures should be given as 218, as majority of the House, not 219.

Page 423, Col. 1 -- Line 3 should read: authorized a four-year (not five-year) extension of training programs.

Page 438, Col. 1 -- Under Ohio Referendum, as stated, Ohio voters May 4 will accept or reject a constitutional amendment establishing a new state House apportionment formula. But the actual job of drawing new

district lines will be placed in the hands of a special commission, headed by the Governor, which will have a 5-2 Republican majority. The previous story (p. 196) incorrectly stated that the Ohio legislature in December 1964 had drawn the new district lines.

Page 440 -- The story is continued on p. 453.

Page 461 -- The captions for CQ votes 30 and 31 should be changed to read: programs for four years, (not five years.)

Page 465, Col. 1 -- In the second paragraph, line 2 should read: Democrats won under 28 (not 38) of the 35 Senate contests of 1964.

Page 490 -- Figures given for the Nevada Senate race were based on final, certified returns by the Nevada authorities, but a subsequent recount altered the figures to:

Laxalt, Paul R.	66,823
Cannon, Howard W.	66,907
Cannon Plurality	84

Page 492 -- The state of New Mexico has amended its official report of the 1964 Presidential vote as follows:

Johnson 194,015	(not 194,017)
Goldwater 132,838	(not 131,838)
Other Vote: 1,792	(not 1,760)
Plurality for Johnson: 61,177	(not 62,179)
New Percentages: Johnson 59.0; Goldwater 40.4	

National vote totals are accordingly changed to read:

Johnson	43,128,956	(not 43,128,958)
Goldwater	27,177,873	(not 27,176,873)
Other	336,697	(not 336,665)

Plurality for Johnson	15,951,083	(not 15,952,085)
Percentage for Johnson	61.1	
Total National Vote:	70,643,526	(not 70,642,496)

Page 508 -- In the Virginia 4th District, S.W. Tucker, the defeated candidate, should be listed as Independent, not Republican.

Page 606, Column 1 -- Under "Military Procurement," the eighth line of the third paragraph should be deleted.

Page 608, Col. 2 -- Under Background, in the second paragraph, the requests included \$1,596,556,495 (not \$1,594,141,495) in direct appropriations exclusive of pay increases, and \$611,485,438 (not \$613,900,438) in pay increases.

Page 610, Col. 2 -- Under Pay Costs, the Committee recommended \$606,880,688 (not \$609,295,688).

Page 633, Col. 2 -- Correction should be corrected to show the following:

Goldwater vote in New Mexico	132,838
------------------------------	---------

Page 647, Col. 1 -- The sixth line of the first paragraph should read 16 (not 14).

Page 692 -- In Congressional Quarterly Roll Call No. 38 the Presidential position should read: "A 'yea' was a vote supporting the President's position," rather than: "The President did not take a position on the resolution."

Page 695, Col. 1 -- "Bills Introduced" is supplement to Weekly Report No. 17 (not 19).

Page 695, Col. 2 -- Under "Tally of Bills," S Con Res should read 1-15, and S Res should read 1-68.

Page 777, Col. 1 -- Under Coffee Agreement, the House Ways and Means Committee report (H Rept 252) was made April 19.

Page 779, Col. 2 -- Russell biography is continued on p. 785.

Page 790 -- Sens. Russell (S.C.) and Mondale should be added to Agriculture and Forestry Committee's Subcommittee on Soil Conservation and Forestry; Sens. Mondale and Russell (S.C.) should be added to the Subcommittee on Agricultural Production, Marketing and Stabilization Prices; and the following Senators should be added to the Special Watershed Subcommittee; Jordan (N.C.), Mondale and Young (N.D.).

Page 795 -- Sen. George A. Smathers (D Fla.) should be added to the bottom of the Democratic rosters on the following subcommittees of the Senate Judiciary Committee: Constitutional Amendments, Improvements in Judicial Machinery and Internal Security.

Page 796 -- The following subcommittee should be added under the Senate Labor and Public Welfare Committee: Select Subcommittee on Poverty, Pat McNamara (D Mich.), chairman. (The membership is the same as that of the full Committee, in seniority order, except for Committee Chairman Lister Hill (D Ala.), who is not a member.)

Page 802 -- Rep. Edward J. Gurney (R Fla.) should be added to the Education and Labor Committee and to its Subcommittees on Special Labor and Select Education.

Page 803 -- The following subcommittee should be added to the Education and Labor Committee, after the Select Labor Subcommittee:

NATIONAL DATA PROCESSING CENTER

Pucinski - Chairman

Gurney

Page 811 -- In the House Democratic leadership, Eugene J. Keogh (N.Y.) replaces Albert Thomas (Texas) as Chairman of the Caucus, and Leonor K. Sullivan (Mo.) replaces Edna F. Kelly (N.Y.) as Secretary of the Caucus.

Page 811 -- In the House Republican Leadership, Melvin R. Laird (Wis.) should be listed as chairman of the Conference.

Page 862, Col. 2 -- Under National Arts Council, the roll-call vote should be 239-116 and not 239-115.

Page 863, Col. 1 -- In the fourth paragraph, 46 (not 45) Democrats voted against the bill.

Page 893, 957 -- In Senate voting charts under South Carolina, the votes listed for Johnston were those cast by Russell. Sen. Olin D. Johnston (D) died April 18. He was succeeded April 22 by Donald S. Russell (D), who resigned as Governor April 21.

Page 979, Col. 8 -- The Unemployment Insurance figure for New Hampshire should be \$1,158,483.

1964 Weekly Report. Page 2815, Col. 2 -- Under Congressional Reservists, delete from list Sen. Jacob K. Javits and Reps. E. Ross Adair, Robert T. Ashmore and Henry S. Reuss, all of whom have retired from the ready reserve. (For previous 1964 corrections, see 1964 Weekly Report index)

CONGRESSIONAL RECORD VOTE CORRECTIONS

The following corrections in official reports of the outcome of roll-call votes during the first session of the 89th Congress have been listed in the Congressional Record.

The lists are subdivided into "Vote Corrections" and "Stand or Announcement Changes." The former involve adjustment of the "Yeas" and "Nays" in the breakdown on Congressional Quarterly roll-call charts; the latter do not affect the breakdown.

The Congressional Record roll-call corrections listed below were inserted in the Record too late for CQ to include on Current Weekly Report vote charts; Weekly Report pages where these votes may be found

are indicated so that you may bring your Weekly Report file into conformity with the Record.

Symbols used in these vote corrections:

Y -- Yea	AN -- Announced Against
N -- Nay	PY -- Paired For
A -- Absent	PN -- Paired Against
AY -- Announced For	GP -- General Pair

In correcting CQ vote charts, see key on chart for appropriate symbols.

WEEKLY REPORT CORRECTIONS

Page 22, Column 1 -- The seniority of Sen. Johnston should be listed as 10, and that of Sen. Fulbright as 9. The information that Johnston is an ex-Representative is incorrect and should be deleted.

The reference to Sen. Pastore as an ex-Representative also is incorrect and should be deleted.

Page 25 -- Change the seniority rank of Sen. Fulbright (Ark.) to 9 and (p. 26) the rank of Sen. Johnston (S.C.) to 10.

Page 25 -- In center of page, the last sentence in italics should read: For key to abbreviations, see p. 26 and 27 (not 2 and 3).

Pages 28-29 -- In the ages, professions, religions chart, the following changes should be made:

Michigan					
4 Hutchinson	50	10/13/14	C,L,V	CS	29
Pennsylvania					
1 Green	26	6/24/38	C	RC	73

Page 31, Col. 2 -- In the 4th full paragraph, the first line should read "...rules changes in 1965...." (not 1964).

Page 67, Col. 1 -- In lines 9-11 of the 1st paragraph, the cost figures mentioned are for printing the actual bill, not for printing the bill in the Congressional Record. The texts of bills introduced in Congress are seldom printed in the Record. Usually only the bill's title and brief description is printed.

Page 68, Col. 1 -- Under Reapportionment, line 7 should read: by all Republican Senators except Clifford P. Case (N.J.) and Jacob K. Javits (N.Y.).

Page 109, Col. 1 -- In the sixth paragraph, concerning the House GOP rule that no member can hold ranking position on more than one committee: However, special exception was made for Clarence J. Brown (Ohio), who was allowed to retain his ranking position both on Government Operations and on Rules, neither of which is entirely a legislative committee. But three other Members -- William L. Springer (Ill.), Robert J. Corbett (Pa.) and William H. Ayres (Ohio) -- holding ranking positions on two committees stepped down to No. 2 spot on the following committees, respectively: District of Columbia, House Administration, and Veterans Affairs.

Page 113, Veterans' Affairs -- The name of Seymour Halpern (R N.Y.) was left off the Republican roster for the Veterans' Affairs Committee. Halpern is ranked sixth, below Teague (Calif.) but above Ellsworth (Kan.).

Page 125, Col. 2 -- In the box on expenditures for new legislation, all figures are in thousands of dollars.

Page 136, Col. 1 -- In the fifth paragraph, the second sentence should read: on Jan. 4, 79 (not 78) Democrats.... (For full change in vote breakdown, see Weekly Report p. 141)

Page 161, Col. 1 -- In second paragraph under Title II, fifth line should read \$28 million (not \$280 million).

Page 164, Col. 1 -- In the third paragraph, the last sentence should read "Committee amendment" (not Coffee amendment).

Page 191, 192 -- Corrections for CONNECTICUT -- The 1965-66 dates given for the planned state constitutional convention are incorrect, based on original plans later revised. Current dates for the convention: Nominating conventions for delegates, Republicans March 21 and Democrats April 7; delegate elections, June 15; start of convention, July 1; latest date for convention, Nov. 1; popular referendum on convention findings, Dec. 14, 1965.

Page 196 -- Corrections for NORTH CAROLINA -- Rejection of the "little federal plan" in the Jan. 14, 1964, referendum left in effect a 1963 Senate apportionment plan based substantially on population. Further reapportionment action in 1965 is not considered likely, although the House might be subject to challenge under Reynolds v. Sims standards.

Page 207, Col. 2 -- The story is continued on p. 219.

Page 230, Col. 1 -- In the second paragraph, line 2 should read: \$13 million (not billion).

Page 233, Col. 2 -- Under reaction, the statement supporting the Treasury's conclusions was issued by the Ford Foundation (not the Ford Motor Co.).

Page 273, Column 1 -- Under Auto Safety Standards, the year in line 4 should be 1967 (not 1966).

Page 307 -- The map of Cuyahoga County should be corrected to include Brooklyn township in the 20th District. It is not in the 21st District as shown.

Page 309 -- Under the district description for the 20th District (Cleveland -- Central City, Waterfront), the following addition should be noted: Rep. Michael A. Feighan (D) was not personally involved in redistricting negotiations which added Negro voters to the 20th District and removed the city of Parma to the 21st District.

Page 320, Col. 1 -- Under Silver Supply and Prices, line 13 should read: \$5 and \$10 denominations (not demonstrations).

Page 411, Col. 1 -- In line 4, referring to a discharge petition in the House, the required number of signatures should be given as 218, as majority of the House, not 219.

Page 423, Col. 1 -- Line 3 should read: authorized a four-year (not five-year) extension of training programs.

Page 438, Col. 1 -- Under Ohio Referendum, as stated, Ohio voters May 4 will accept or reject a constitutional amendment establishing a new state House apportionment formula. But the actual job of drawing new

district lines will be placed in the hands of a special commission, headed by the Governor, which will have a 5-2 Republican majority. The previous story (p. 196) incorrectly stated that the Ohio legislature in December 1964 had drawn the new district lines.

Page 440 -- The story is continued on p. 453.

Page 461 -- The captions for CQ votes 30 and 31 should be changed to read: programs for four years, (not five years.)

Page 465, Col. 1 -- In the second paragraph, line 2 should read: Democrats won under 28 (not 38) of the 35 Senate contents of 1964.

Page 490 -- Figures given for the Nevada Senate race were based on final, certified returns by the Nevada authorities, but a subsequent recount altered the figures to:

Laxalt, Paul R.	66,823
Cannon, Howard W.	66,907
Cannon Plurality	84

Page 492 -- The state of New Mexico has amended its official report of the 1964 Presidential vote as follows:

Johnson 194,015	(not 194,017)
Goldwater 132,838	(not 131,838)
Other Vote: 1,792	(not 1,760)
Plurality for Johnson: 61,177	(not 62,179)
New Percentages: Johnson 59.0; Goldwater 40.4	

National vote totals are accordingly changed to read:

Johnson	43,128,956	(not 43,128,958)
Goldwater	27,177,873	(not 27,176,873)
Other	336,697	(not 336,665)

Plurality for Johnson 15,951,083 (not 15,952,085)

Percentage for Johnson 61.1

Total National Vote: 70,643,526 (not 70,642,496)

Page 508 -- In the Virginia 4th District, S. W. Tucker, the defeated candidate, should be listed as Independent, not Republican.

Page 606, Column 1 -- Under "Military Procurement," the eighth line of the third paragraph should be deleted.

Page 608, Col. 2 -- Under Background, in the second paragraph, the requests included \$1,596,556,495 (not \$1,594,141,495) in direct appropriations exclusive of pay increases, and \$611,485,438 (not \$613,900,438) in pay increases.

Page 610, Col. 2 -- Under Pay Costs, the Committee recommended \$606,880,688 (not \$609,295,688).

Page 633, Col. 2 -- Correction should be corrected to show the following:

Goldwater vote in New Mexico 132,838

Page 647, Col. 1 -- The sixth line of the first paragraph should read 16 (not 14).

Page 692 -- In Congressional Quarterly Roll Call No. 38 the Presidential position should read: "A 'yea' was a vote supporting the President's position," rather than: "The President did not take a position on the resolution."

Page 695, Col. 1 -- "Bills Introduced" is supplement to Weekly Report No. 17 (not 19).

Page 695, Col. 2 -- Under "Tally of Bills," S Con Res should read 1-15, and S Res should read 1-68.

Page 777, Col. 1 -- Under Coffee Agreement, the House Ways and Means Committee report (H Rept 252) was made April 19.

Page 779, Col. 2 -- Russell biography is continued on p. 785.

Page 790 -- Sens. Russell (S.C.) and Mondale should be added to Agriculture and Forestry Committee's Subcommittee on Soil Conservation and Forestry; Sens. Mondale and Russell (S.C.) should be added to the Subcommittee on Agricultural Production, Marketing and Stabilization Prices; and the following Senators should be added to the Special Watershed Subcommittee; Jordan (N.C.), Mondale and Young (N.D.).

Page 795 -- Sen. George A. Smathers (D Fla.) should be added to the bottom of the Democratic rosters on the following subcommittees of the Senate Judiciary Committee: Constitutional Amendments, Improvements in Judicial Machinery and Internal Security.

Page 796 -- The following subcommittee should be added under the Senate Labor and Public Welfare Committee: Select Subcommittee on Poverty, Pat McNamara (D Mich.), chairman. (The membership is the same as that of the full Committee, in seniority order, except for Committee Chairman Lister Hill (D Ala.), who is not a member.)

Page 802 -- Rep. Edward J. Gurney (R Fla.) should be added to the Education and Labor Committee and to its Subcommittees on Special Labor and Select Education.

Page 803 -- The following subcommittee should be added to the Education and Labor Committee, after the Select Labor Subcommittee:

Gurney

Page 811 -- In the House Democratic leadership, Eugene J. Keogh (N.Y.) replaces Albert Thomas (Texas) as Chairman of the Caucus, and Leonor K. Sullivan (Mo.) replaces Edna F. Kelly (N.Y.) as Secretary of the Caucus.

Page 811 -- In the House Republican Leadership, Melvin R. Laird (Wis.) should be listed as chairman of the Conference.

Page 862, Col. 2 -- Under National Arts Council, the roll-call vote should be 239-116 and not 239-115.

Page 863, Col. 1 -- In the fourth paragraph, 46 (not 45) Democrats voted against the bill.

Page 893, 957 -- In Senate voting charts under South Carolina, the votes listed for Johnston were those cast by Russell. Sen. Olin D. Johnston (D) died April 18. He was succeeded April 22 by Donald S. Russell (D), who resigned as Governor April 21.

Page 979, Col. 8 -- The Unemployment Insurance figure for New Hampshire should be \$1,158,483.

CONGRESSIONAL RECORD VOTE CORRECTIONS

The following corrections in official reports of the outcome of roll-call votes during the first session of the 89th Congress have been listed in the Congressional Record.

The lists are subdivided into "Vote Corrections" and "Stand or Announcement Changes." The former involve adjustment of the "Yeas" and "Nays" in the breakdown on Congressional Quarterly roll-call charts; the latter do not affect the breakdown.

The Congressional Record roll-call corrections listed below were inserted in the Record too late for CQ to include on Current Weekly Report vote charts; Weekly Report pages where these votes may be found

are indicated so that you may bring your Weekly Report file into conformity with the Record.

Symbols used in these vote corrections:

Y -- Yea	AN -- Announced Against
N -- Nay	PY -- Paired For
A -- Absent	PN -- Paired Against
AY -- Announced For	GP -- General Pair

In correcting CQ vote charts, see key on chart for appropriate symbols.
